OUR TERMS

READ CAREFULLY

The seeds we offer are tested under our personal supervision before shipment, and every care is taken that none but reliable, fresh and genuine seeds are sent out.

Seeds of the best quality often fail, however, through various causes, improper planting or weather conditions; therefore we, **The Barteldes Seed Co.**, give no warranty, expressed or implied, as to description, quality, productiveness, or any other matter, of any seeds, bulbs or plants we send out, and we will not in any way be responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned.

All Grass, Field and Tree Seeds, Potatoes, and Onion Sets we will sell for cash only, no discounts. **Bills of Garden Seeds** amounting to \$25.00 or more, are sold on terms of 60 days. Overdue accounts are subject to sight draft with exchange, without notice. Of new customers we require cash or satisfactory references. These prices are not for less than one-half pound of Garden Seed or five pounds of Peas, Beans or Sweet Corn, and are subject to variation without notice.

These prices do not include charges for bags, baskets and barrels, which are extra.

We send out no seeds on commission.

WHOLESALE CATALOG

To the Trade:

Gentlemen:

The War is over but the need for food is greater than ever. Millions and millions of people in war stricken Europe face starvation unless they are helped promptly and generously.

America's Food Pledge is Twenty Million Tons, which is two-thirds more than last year. In order to produce this vast quantity of food every garden must be worked to the limit.

There is sure to be a big demand for garden seeds this spring and it will be to your advantage to keep your stocks complete. Transportation is rather slow so you should anticipate your needs as much as possible.

Seed growers in the United States have done wonders during the last two years. We now have a complete stock of seeds produced almost entirely in this country.

If you do not have a copy of our General Descriptive Catalog please write us and we will send you one promptly.

You will find our prices very reasonable and your customers will be well pleased with the quality of our seeds.

Send us your orders. They will be filled promptly with seeds of high quality.

Very truly yours,
THE BARTELDES SEED CO.

Adjusto Plant Support

Here is the simplest, strongest and most efficient plant support we have ever seen.

The stake is of hardwood painted green, and if repainted every season it will last for years. The heavy spring wire is also painted green and it will not rust.

It is instantly adjusted to any height and can be adjusted as the plant grows without disturbing the plant. It is indispensable for Tomatoes, Roses, Peonies, Dahlias, Hydrangeas, Carnations, and any other plants needing support.
